

Nominating criteria and instructions:

- Nominating is free and must be completed using this online form by 11:59pm Friday 28 February 2021.
- Your nomination must be completed in one sitting; a partially completed form cannot be saved and reopened at a later date.
- All products and/or technologies must be manufactured and/or commercially available in Australia.
- Please have any supporting documentation (i.e. brochures, photographs, testimonials) ready to upload. File sizes should not exceed 3MB per file. Files larger than that won't be included with judges' files.
- All nominations must be accompanied by a high-resolution image (at least 1MB in size) suitable for print publication.

By submitting a nomination, you give Prime Creative Media permission to publish all or part of your nomination in MHD Supply Chain Solutions or another suitable publication.
